

Elizabeth Byrd

Elizabeth Byrd is a Project Manager at BGE, Inc, based in Houston Texas. She has over 11 years of experience in the water and wastewater industry. Elizabeth is a professional civil engineer in Texas and obtained her bachelor's degree from Universidad Rafael Urdaneta in Venezuela and her master's degree from Florida International University in Miami. In her free time, Elizabeth likes to travel, cook, volunteer and spend quality time with her husband and son.

Drucilla Curry

I agree with our community slogan “love where you live”! As such, I’m committed to contribute toward that goal. My professional background in HR & Business Management, along with experience as a resident of three states, all with HOAs in diverse communities, will allow me to share a unique & broad perspective with DB HOA. I have a BS in Business and certifications in HR & Relocation Management.

Jeffrey Metz

I submit my candidacy to serve on the board of the Village of Diamond Bay so that I can help my fellow owners. I want to ensure that the board is focused on making meaningful improvements to our community which will enrich our lives and improve the value of our homes. At the same time, I would like to ensure the voices of our community are first and foremost and we treat them with a customer-first mentality.
